This service is offered as an overview and a starting point only - it should not be used as a single, sole authoritative guide. You should not consider this as legal guidance. The services provided by AAAtraq is clients to follow, as to supplement current practices, and as part of their own compliance methods, the AAAtraq service method and process has not been and should not be considered as one that has a specific, legal basis. The service should not be used by those seeking to take action against any party.

The (any / all) site audits are of the available areas of a website at a point in time. Sections of the site that are not open to public access or are not being served (possibly be due to site errors or downtime) may not be covered audits. Where matters of legal compliance are concerned you should always take independent advice from appropriately qualified individuals or firms.
